(2) The Supt on the other hand states that the press will only print the matter sent to them and the responsibility as to the insertion of the matter should lie with the Chief Court so that they may know whether any matter for publication is a legal matter or not

(3) Perhaps the Supt is right. It may if approved be ordered that

(1) the Supt. Govt. Printing should receive all for publications fall advertisements

(2) in cases of doubt he may forward it to the Registrar Chief Court for to whether the particular matter relates to legal matters and can be paid

(3) the fees may be credited to the Press: Local proceeds

OFFICE OF THE SUPERINTENDENT,
GOVERNMENT PRINTING IN MYSORE,

No. 332. Gen 3. Bangalore, 25th July 1924.

F.A.S. 19-24-1

FROM

B. PUTTAIYA, ESQ., B.A.,
SUPERINTENDENT, GOVERNMENT PRINTING,
BANGALORE.

To

K. MATTHAN, ESQ., B. A.,
Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

I have the honour to forward herewith copies of correspondence, ~~xxx~~., between this office and that of the Registrar, Chief Court of Mysore, in the matter of receipt of advertisements for publication in the Mysore Chief Court Reports. In my humble opinion, the responsibility of inserting the advertisements in the Chief Court Reports should lie with the Chief Court alone, and not with the Press which only prints ~~or~~ whatever is sent by Departments. I therefore request that Government will be so good as to issue definite orders as to the office that should receive the advertisements and the department to which the advertisement charges should be credited.

I have the honour to be,
Sir,
Your most obedient servant,

B. Puttaiya
Superintendent.

Docket No. D2 Dis. 39/24-25, dated the 7th July 1924, From the Registrar, Chief Court of Mysore, Bangalore, to the Superintendent, Government Printing, Bangalore.

With reference to his Memo No. 51, dated the 4th July 1924, forwarding for compliance letter dated the 22nd July 1924, addressed to him by Mr. K. Kanarayanaswami Iyer of the Karnataka Advertising Agency, Bangalore, in the matter of the publication of advertisements in the Court Reports, has the honour to state that such applications should be disposed of by him under the rules, that the Chief Court has nothing to do with receiving advertisements or printing them and that the income derived from publishing advertisements does not go to the credit of the Judicial Department.

Letter No. 167, dated the 11th July 1924, from the Superintendent, Government Printing, to the Registrar, Chief Court of Mysore, Bangalore.

With reference to your docket No. D2 Dis. No. 39/24-25 of the 7th instant, I have the honour to state that there is nothing in G. O. No. P. 5904-5/cts. 217-23-2, dated the 21st April 1924, or in the rules appended thereto regarding the insertion of advertisements in the Chief Court Reports, to indicate that the advertisement charges are to be collected by the Press and that the income derived thereby would be credited to the receipts of the Press. The rules require all manuscripts of advertisements intended for publication to be forwarded to this office direct. I beg to suggest however that it would be more satisfactory if the advertisements are received in your office in the first instance and sent to the Press for printing as your office is the more appropriate place where they may be scrutinised as to whether they are suitable for publication or not. If you agree with me, you may kindly take action to have the last para of the rules amended accordingly and also take steps to settle as to the department to which that the advertisement charges should be credited.

Docket No. D2 Dis. 87/24-25, dated the 17th July 1924, from the Registrar, Chief Court of Mysore, Bangalore, to the Superintendent, Government Printing, Bangalore.

With reference to his letter No. 167, dated the 12th July 1924, regarding the receipt of manuscript advertisements intended for being published in the Mysore Chief Court Reports and the head to which the realization from advertisements should be credited, has the honour to invite reference to rule I appended to the Government Proceedings No. P. 5904-5/Cts. 217-23-2, dated the 21st April 1924, which clearly lays down that advertisements of only "Legal publications" will be accepted for insertion in the Reports and as such they require no scrutiny by this office and any such security will be superfluous. As regards the Department to whose credit the realizations should go, it is the practice in British India to credit such realizations to the Printing Department and the same practice has to be observed here also.

If he should feel doubtful about these points, he may himself make a reference to Government, if necessary and obtain orders.
